Guides Guide Day will come to Drayton Valley on Saturday, May 8th, when Guides and Brownies will be selling cookies. Come Saturday you can look for this berry of beauties to arrive at your door with their cookies.

Left to right they are Carol Anderson, Francis Messer, Susan Belliveau, Della Hennessy, Hazel Byram and Judy Dean.

From Scoop's Notebook

Underneath that fancy white Seattle Exposition has Howard Gaudin, Howard and his wife, accompanied by Mr. and Mrs. Guy Baza visited the World's Fair. By a twist of circumstance their son Gene Randolph and his wife and family spent at the Fair gates.

Jim McInnes, office man with Mainline, here, also visited the Fair. He took his son and daughter to see how the folks live below the "Lies".

Former Town of Drayton Valley residents, Dale Schmitz left the town employ to return to his first love, mining. He is heading for Grand Forks, B.C.

Still other Seattle Fair visitors were the Jack August family, Jack and Phyllis spent a fine time in the big Coast city.

Leaving P. L. and Drayton Valley, P. L. and Drayton Valley, Mr. Kams visited with P. L.

when they were first formed into a company eight years ago. He had been in Drayton Valley about 6 years. He is heading for Los Angeles where he will reside permanently.

Over the Easter week holidays Tom McLennan and his wife, Elaine, with little Dee Dee took off for Spokane where they spent a pleasant week.

Mrs. Dorothy Valiquette now residing in Calgary spent a few days in Drayton Valley re-seeing old acquaintances recently. After Forthby's husband Al did several months ago she moved with her family to the mid-western city.

Headed east via T.C.A. jetliner to Toronto to visit his folks was Harold Townsend, it was Harold's 14th trip across the continent.

While the garage is being readied for big new things C.D. Fair and wife have took off westward for an extended and well-earned vacation trip. First they visited daughter Elaine and husband Ralph Oshard in Kelowna, B.C. Then they headed westward to the Coast and Seattle where Ted has a younger brother. They took in the Fair, which they say is already packed with sight-seers and more are yet to come as there are over 2 million reservations from California alone.

Southward they went from Seattle down the coast highway R101. At Santa Maria California they visited the Bolings, Ken and Doreen. They also are gardening at Island, near Santa Maria, where they do things in such a big way they even use combines to harvest spinach.

In L.A. they visited a niece of "Red" who lives in nearby Fullerton and took in all the regular tourist sights. Doreen, Marie Land, Koons Berry Farm, etc. They returned to the Portview of Opportunity via Highway 91, they went through La Vegas, and San Luis City Vegas.

Everyone wasn't going to Seattle however for Larry and Elaine Vickery went to Grande Prairie to the big Square Dance do and won the plaque for coming the longest distance. Accompanying the Vickerys were Mr. and Mrs. Les Herdson. The plaque has been all over North America.

Ron Elmsheimer is leaving May 15th, on vacation. After that he expects to be transferred to an S.C. store on Vancouver Island. Part of his vacation will be spent in Peace River where his wife lives.

Doer forgot the Town Cleanup. The Atkins Bros. Whitcomb Drive-in Theatre got into operation this week. Drayton Valley 100 Series will be running the outdoor showhouse this summer. There is room for 250 cars. Film feature will be "For Maniac", starring Joel Michale.

Anyone notice that the dogs are not muzzling town so much? We hear rumors that each dog is worth \$1.00 delivered to the right spot. Wouldn't care to live a dog's life right now.

The Brian Gooding family also returned to D.V. After taking in all the famous outdoor spots, including some of the plush spas in Las Vegas.

HEALTH UNIT MOTIV...
cont. from page 11, col. 5.

against 800 in 1960 and 927 during 1961.

Gammas globulin was given to all immediate contacts of those suffering from infectious hepatitis and just secondary cases were reported to us in this group. Had been to hospital that effective protective benefit was obtained from use of this gamma globulin.

During 1961 measles was prevalent with 111 cases notified, against mainly in the last quarter 153 cases were notified in 1960.

Scarlet fever and streptococcal sore throat 49 cases were notified against 45 in 1960. A number of these cases were confirmed by positive throat swabs.

Rubella - 97 cases were notified as against 55 in 1960. Gamma globulin was given to 18 pregnant women exposed to this disease.

Dysentery - 9 cases of dysentery occurred in 1961 compared with 16 in 1960. Two cases of salmonellosis occurred in young children in December. No cases of polio occurred in 1961 compared with four cases in 1960.

In school 716 students were tuberculin tested and 41 adults of these five students and 10 adults were positive reactors. Fifteen chest x-rays and 22 chest re-tests. Tests were carried out on contacts of positive reactors. At the same time 120 adults were tuberculin tested and 49 were positive reactors. History of tuberculosis was tuberculin tested and six were positive reactors. Of these 44 had chest x-rays. 135 persons had chest re-tests.

Nineteen persons were admitted to the sanatorium during the year, three were re-admitted and 21 were discharged. Four of these discharged had non-tubercular conditions. One person who absconded was apprehended and returned to the sanatorium for further care.

The scheduled school health program was carried out during the year. In addition all students participating in the physical education program of the school were school division will be examined during the school year. There had been a steady increase each year in the school population and this trend looks like being maintained in view of our annual number of births. The school population has increased by 370 students since 1960. The dental health program included students from Grades 1, 2 and 3.

Two guidance clinics were held at school during the year in May and November. We have been unsuccessful in arranging more frequent visits of the guidance clinics to school and also visits to other centres.

In 1961, 404 complaints and enquiries were made to the Health Inspector, more than double the figure for the previous year. Of these more than 7 per cent concerned public health nuisances.

Seven houses, one shack and one trailer coach were placed as unfit for human habitation and were vacated. One house was repaired to the satisfaction of the Medical Officer and was reoccupied.

A large increase in 1961's percentage of satisfactory pasteurized milk samples compared with the drop in the satisfactory milk figures speaks well of the efficiency of the pasteurizing equipment and methods at Burnaby.

Outgoing Council No. 7 Chairman Alice Parent shaking hands with the P.N.A. Editor at the Big Townsmen's Spring Conference. We will have figured out why he has his hand in his pocketbook. The party wasn't THAT rough.

BLOOD DONOR CLINIC

A scene in the Red Cross Blood Donor Clinic held in Drayton Valley Highschool auditorium last Monday.

Awaiting their turn to register men and women move up the line on the chairs as the register call for 50 volunteers.

CHAMBER OF COMMERCE MEETS

Minutes of a regular meeting held in the Town Hall on the 2nd day of May, 1965, at 8 p.m.

The meeting was chaired by President, Bill Johnson. Other members present included: Harry Zahner, Art Playford, Ken Warkley, Adrienne Maier, Don McKenzie, Jim Cumlin, K. Kerr, Al Miller, Les Bennett, Red Fuhr, Benjie von Tettenborn and Buck Mac Donald.

Moved by Art Playford, seconded by Harry Zahner that the minutes of a previous meeting be adopted as read. Carried.

Under business arising from the minutes, Al Miller reported that since have been taken to quickly enforce the licensing by laws with respect to peddlars and salesman operating within the town. He cited a recent instance where a group of magazine subscription salesman were forced to abandon their local operation because they did not adhere to the local licensing by laws.

Moved by Leslie Von Tettenborn, seconded by Red Fuhr that a copy of an official receipt and a license certificate be placed in the local paper and that citizens be asked to co-operate by reporting to the local police, the presence of any peddler or salesman who cannot produce a similar receipt.

President, Bill Johnson directed that the committee chairman henceforth bring in written reports that can be recorded in the minutes. This new procedure to take effect with the next regular meeting.

cont. page 4 col. 1.

A visitor to Drayton Valley on the Valley resident's Tommie Star came to the conclusion that the political situation here is currently like that in British Columbia; there is not much interest in the election thus far. Treads of thought apparently indicate the belief that Mr. Diefenbaker will return to Parliament. Still, he is not a general widespread knowledge of campaign issues that may decide the election.

Mr. Beck had first been in B.C. and then had returned to Edmonton. His paper had asked him to sample a representative oil town Alberta oil town, so he called the Minister of Mines and Metallurgy, and Drayton Valley was suggested as a quite representative oil town.

premises was fined \$20, and a charge of illegal conveyance of liquor drew a fine of \$25.00. For supplying liquor to an interested one man was fined \$5.00.

Following cases have appeared in the local Town of Drayton Valley Police Court in the past three weeks:

Under Town Bylaws: Six have been charged for driving without Due Care and Attention, with differing circumstances. In most of the cases fines were levied as follows: 1 fined \$10, 2 fined \$15, 1 fined \$20, 1 fined \$25, and 1 fined \$35.00.

Under the Criminal Code of Canada, one was sentenced to 90 days in Fort Saskatchewan for breaking and entering and the same man was given an additional 14 days in the Fort for using an N.S.F. cheque.

Three cases of their drew one of the culprit, a young man with a previous record 8 months in Fort Saskatchewan. Two other young men involved in the same case were given 1 year suspended sentence because they had no previous records.

Two cases of assault brought fines of \$10, in one case and \$25, in the other. Two drivers charged with impaired driving each received a \$50, fine and had their driving licenses suspended for 6 months.

Under the V.H.T. Act 3 charges of careless driving drew fines of \$25, in two of the cases and \$10, in the other. One young man who had had his license suspended as the result of an accident, and was found driving while his license was under suspension was fined \$25.00.

UNDER THE LIQUOR ACT:

Under this act one was charged with illegal consumption and was fined \$10.00 being intoxicated in a vehicle cost another \$25.00. A similar charge of intoxication cost another man \$10. On two charges of illegal consumption and of illegal possession one man was fined \$5.00 on the first and \$10.00 on the second charge. Two others, on charges of illegal possession were fined \$25.00 each and one was fined \$20.00. A minor consumption liquor was fined \$5.00 on a minor on licensed

Having left Newton blooming in Ontario and British Columbia, the incident day did nothing to dispel any illusions he may have had regarding the prairies as a chilly spot.

After talking with several Drayton Valley residents the Tommie Star came to the conclusion that the political situation here is currently like that in British Columbia; there is not much interest in the election thus far. Treads of thought apparently indicate the belief that Mr. Diefenbaker will return to Parliament. Still, he is not a general widespread knowledge of campaign issues that may decide the election.

premises was fined \$20, and a charge of illegal conveyance of liquor drew a fine of \$25.00. For supplying liquor to an interested one man was fined \$5.00.

BLOOD DONOR CLINIC

Drayton Valley folks, helped out by folks from surrounding districts which included Leduc, Tofield, Lacombe, Lethbridge and a few other nearby places, turned out some two hundred and eighty-five strong to donate blood for the recently opened Blood Donor Clinic.

For the second time in a row the United Church was away out in front of the parade as far as number of registered donors was concerned and won the A.A.N. plaque quite handsly.

Red Cross officials indicated that they were well satisfied with the turnout of donors.

BUILDING PERMITS

Building has gotten off to a slow start this year so far. Apparently there will be little building activity here again this year, much of it is residential property. For the first three months of the year have been the slowest in Drayton Valley since 1954.

Building Permits to April 30, 1965:

Walter McMillan, lot 1, Block 46, basement room.

Don McMillan, lot 3, Block 4, remodelling.

Total for January - \$3,900.00

PEMBINA JAIL:

Pross Jacobson, lot 1, Block 1, Addition to house.

Pentecostal Church, lot 64, High St. new church building, 1000 sq. ft. lot 11, block 3, addition.

NEWS ADVERTISER

AND WESTERN WEEKLY SUPPLEMENT

Vol. 7 No. 18 May 16, 1962 A. Playford, Publisher Box 130, Dayton Valley.

ROTARY HOSTS SCOUT LEADERS

Mr. Ned McGeechie addressing the Rotary Club and Visitors.

Dayton Valley Rotarians were host to Scout leaders and members of the Boy Scout Group Committee at their regular weekly dinner meeting held in the Club Room last Wednesday evening. It was also "Ladies Night" when Rotary Anna were present at the meeting also. Guest speaker for the occasion was Mr. Ned McGeechie, Boy Scout Unit Commissioner for the northern part of the province and the Northwest Territories. Mr. McGeechie is employed by the Alberta Provincial Council of the Boy Scouts of Canada. He spoke on the "Place of the Adult in the Community. How Can They Best Serve?"

Specially honored were Queen Scouts Bill Upchurch and David Hoff. David Hoff thanked the group, on behalf of Bill and himself for the part they had played in leading the two of them to Ottawa last summer to the Scout jamboree.

Seated at the head table were Club Leader Jack O'Rourke and Mrs. O'Rourke, Rotarian and Scout Group Committee member Walter Kruse, Queen Scout, Bill and David, Rotary President Syd Mitchell and Mrs. Mitchell, Mr. McGeechie, Rotarian and Scout Group Committee president Jack Bright and Mrs. Bright and Scout Group Committee secretary Mrs. Fritsch Lachak.

Following the meal Mr. McGeechie gave a very stirring and challenging address to the group. Following is the text of Mr. McGeechie's speech:

"The aim of the Boy Scouts of Canada is to assist in developing a better citizen through its programme. The programme is a natural approach training a boy in habits of observation, Obedience and Self-Balance, inculcating loyalty and thoughtfulness for others. Teaching them service useful to the public and handicrafts useful to themselves.

All this helps to develop a boy physical, mental and spiritual outlook.

I recall asking a boy why he had become a Scout and his reply was 'Because I didn't have to'. How many times have you seen your boy do something at home knowing very well that if you had urged him to do that very same task he would have complained at the very idea of being made to do it.

To accomplish our goal each one of us must observe that the aim of Scouting is such that every member of the community has an interest, whether this is recognized or not, your community and any other community would have a pretty rough time if its citizens were devoid of the characteristics set out in Scouting aim.

Apart from the boys themselves for whom building and Scouting is designed and for whom benefit the whole Organization exists. The Scout organization, for

purpose of administration; consists of two complimentary groups.

A. The leaders who are in uniform caring for the program to give to the boy.

B. The Laymen (Men and women serving on group committees - Ladies Auxiliaries).

Both these bodies are necessary for the success full operation of your Scout Group.

The new executive will be installed at the June meeting and the outgoing executive will be presented with their pins at the same time.

While the election ballots were tabulated some members modelled their future outfit.

Dr. Harry Shindler is receiving the Dore Prize Draw, a very excellent golf outfit, which was the prize for the 1961 Dore Prize Draw. Dr. Shindler is making the presentation.

MOTHERS DAY ARRIVALS

Photo: Jacobs Studio.

Mother's Day was an outstanding day for Mrs. Bruno (Vanda) Lamb in Dayton Valley Municipal Hospital when she gave birth to five babies. One of the new arrivals, a boy, weighed in at six pounds and 11 and one half ounces and the other, a girl, weighed seven pounds and 8 ounces on arrival. Both were very healthy and strong.

Special gifts were presented by the local Hudson's Bay store to the mother and the infants.

The twins were the only babies born in Dayton Valley Hospital on Mother's Day.

BAND SPRING

PRESENTS CONCERT

The First Annual Spring Band Concert was presented by the Dayton Valley Band in the Community Hall Thursday, May 10th, being given to a quite large and highly appreciative audience.

Master of Ceremonies for the occasion was Corporal Skip Wilson, who turned in a very creditable performance in that capacity.

The audience was delighted, also, with the performances of the five Majorettes, led by Joie Dahlgren, Judy Fry, Linda Zelenak, Eida Langer, and Jamie Wilson. Known as the Dayton Valley Majorettes these five nimble girls added zest to the performance.

Bandmaster Karl Wahl led the twenty-two piece band through a stirring assortment of waltzes, overtures, marches and novelty numbers.

The food section was made up by four chaperons played by John Ryan, Lee Sambo, Ned Martel and Ken Wahl. Playing
